

YMT CUTTING TORCH

MODEL : YMT-CT100

FEATURES:

- Die forged brass head for strength and durability
- Two needle valves for fast and accurate flame adjustment

PACKING INFORMATION:

- 10 PCS /CARTON

YMT-CT100

YMT HEAVY DUTY CUTTING TORCH

MODEL : YMT-CT200

FEATURES:

- Die forged brass head for strength and durability
- Two needle valves for fast and accurate flame adjustment

PACKING INFORMATION:

- 10 PCS /CARTON

YMT-CT200

YMT "S" WELDING TORCH

MODEL : YMT-WT100

FEATURES:

- Used in servicing and repairing cars, plumbing, brazing copper heating or water supply systems, air conditioning systems, welding, repairing refrigeration units, connecting prosthetic parts in dentistry, jewelry and other DIY works.

PACKING INFORMATION:

- 50 PCS /CARTON

YMT-WT100

WELDING EQUIPMENT

YMT OXYGEN REGULATOR

MODEL : YMT-OR100

FEATURES:

- For general welding and cutting, these regulators feature greater flow and accuracy, more economy, simple repairs and greater safety.

PACKING INFORMATION:

- 12 PCS / CARTON

YMT ACETYLENE REGULATOR

MODEL : YMT-AR100

FEATURES:

- Acetylene gas regulator is used to regulate high pressure of acetylene gas in cylinder for required working pressure, and ensure the outlet pressure steady when input pressure and outlet flow change in process of welding, cutting and chemical.

PACKING INFORMATION:

- 12 PCS / CARTON

YMT FLASHBACK ARRESTOR

Meet the requirements of welding process, no influence on the flame temperature, gas flow, etc. High quality brass construction, rugged and corrosion resistant.

AVAILABLE MODELS:

- **YMT-FBA288A**
Acetylene Flashback Arrestor
- **YMT-FBA288O**
Oxygen Flashback Arrestor

PACKING INFORMATION

- 50 PCS / BOX, 100 BOX / CARTON

YMT FLASHGUARD

FEATURES:

- Meet the requirements of welding process, no influence on the flame temperature, gas flow, etc.
- High quality brass construction, rugged and corrosion resistant.

AVAILABLE MODELS:

- **YMT-FBA588A**
Acetylene Flashguard
- **YMT-FBA588O**
Oxygen Flashguard

PACKING INFORMATION

- 50 PCS / BOX, 100 BOX / CARTON

YMT CHECK VALVE

FEATURES:

- Meet the requirements of welding process, no influence on the flame temperature, gas flow, etc.
- High quality brass construction, rugged and corrosion resistant.

AVAILABLE MODELS:

- **YMT-FBA558A**
Acetylene Check Valve
- **YMT-FBA558O**
Oxygen Check Valve

PACKING INFORMATION

- 50 PCS / BOX, 100 BOX / CARTON

YMT ELECTRODE HOLDER 500AMP - JAPAN TYPE

MODEL : YMT-EH500

FEATURES :

- Copper clamp- The welder's choice of electrode holder
- Japan Type

PACKING INFORMATION

- 50 PCS /CARTON

YMT-EH500

YMT HEAVY DUTY ELECTRODE HOLDER 500AMP - AMERICA TYPE

MODEL : YMT-EH500A

FEATURES :

- Copper clamp- The welder's choice of electrode holder
- America Type

PACKING INFORMATION

- 25 PCS /CARTON

YMT-EH500A

YMT EARTH CLAMP - HOLLAND TYPE

MODEL : YMT-EC300H / YMT-EC500H

FEATURES :

- Made from iron and copper. Nut and bolt to hold the clamp shut, ensuring it doesn't slip while you're working.
- Tough, rugged design that suitable for any welding machine up to 500A.
YMT-EC300H: YMT Earth Clamp 300Amp
YMT-EC500H: YMT Earth Clamp 500Amp (holland type)

PACKING INFORMATION

- YMT-EC300H: 100 PCS /CARTON
- YMT-EC500H: 50 PCS /CARTON

YMT-EC300H

YMT-EC500H

YMT HEAVY DUTY EARTH CLAMP 500AMP - AMERICA TYPE

MODEL : YMT-EC500A

FEATURES :

- Large hex screw cable connection assures a tight and safe cable connection. It has a large contact area for an effective ground connection.

AVAILABLE MODEL:

- 50 PCS /CARTON

YMT-EC500A

WELDING ACCESSORIES

YMT - COT

YMT WELDING TORCH COLLET

FEATURES:

- For TIG welding Machine
- For TIG torch welding

AVAILABLE MODELS

- YMT-COT16 - Collet #1.6mm
- YMT-COT24 - Collet #2.4mm
- YMT-COT32 - Collet #3.2mm

PACKING INFORMATION:

- 100 PCS /PACK

YMT-COTB

YMT WELDING TORCH COLLET BODY

FEATURES:

- For TIG welding Machine
- For TIG torch welding

AVAILABLE MODELS

- YMT-COTB16 - Collet Body #1.6mm
- YMT-COTB24 - Collet Body #2.4mm
- YMT-COTB32 - Collet Body #3.2mm

PACKING INFORMATION:

- 50 PCS /PACK

YMT-TIG

YMT TIG TUNGSTEN ELECTRODE - RED

FEATURES:

- It is widely used as an additive oxide electrode.
- It can be operate easily and electric current load is big, it can produce arc easily and steadily, the gap of the breaking arc is big, loss less and long life, if has much higher recrystallizing temperature, much better conductivity and better mechanical cutting property, it is used for welding carbon steel, stainless steel, nickel alloy and titanium metal, it is a first selection material for high quality welding.

AVAILABLE MODELS

- YMT-TIG16R - #1.6mm x 150mm
- YMT-TIG24R - #2.4mm x 150mm
- YMT-TIG32R - #3.2mm x 150mm

PACKING INFORMATION:

- 10 PCS /PACK

YMT-CRM

YMT CERAMIC CUP

FEATURES:

- Resistant to high temperature, good ruggedness.
- Material: ceramics

AVAILABLE MODELS

- YMT-CRM400 - Ceramic Cup #4
- YMT-CRM500 - Ceramic Cup #5
- YMT-CRM600 - Ceramic Cup #6
- YMT-CRM700 - Ceramic Cup #7
- YMT-CRM800 - Ceramic Cup #8

PACKING INFORMATION:

- 10 PCS /BOX, 1000 PCS/CARTON

WELDING ACCESSORIES

YMT PORTABLE WELDING DRYER

FEATURES:

- Temperature regulator is installed at the bottom, which makes operation simple and convenient.
- Equipped lifter is provided in the drying cylinder

AVAILABLE MODELS

- YMT-D050 - Portable welding dryer 5kg
- YMT-D100 - Portable welding dryer 10kg

PACKING INFORMATION

- YMT-D050 - 6 UNITS / CARTON
- YMT-D100 - 4 UNITS / CARTON

YMT-D050

YMT-D100

YMT PURE COPPER CABLE LUG

FEATURES:

- For Cable: 300Amp/400Amp/500Amp
- Material: 100% Pure Copper

AVAILABLE MODELS

- YMT-WCL300: Cable lug 300 Amp
- YMT-WCL400: Cable lug 400 Amp
- YMT-WCL500: Cable lug 500 Amp

PACKING INFORMATION

- YMT-WCL300: 100 PCS / PACK
- YMT-WCL400: 50 PCS / PACK
- YMT-WCL500: 50 PCS / PACK

YMT-WCL500

YMT-WCL400

YMT-WCL300

YMT-SCAP100

YMT-LCAP100

YMT SHORT / LONG BACK CAP

FEATURES:

- Tig torch parts

AVAILABLE MODELS

- YMT-SCAP100 - Short Back Cap
- YMT-LCAP100 - Long Back Cap

PACKING INFORMATION

- 50 PCS / CARTON

YMT DINSE PLUG

FEATURES:

- Dinse plug push in and twist lock, and are the most common plug type for fitting welding cables to welding machines.

AVAILABLE MODELS

- YMT-DP1025 - Dinse Plug 10-25
- YMT-DP3550 - Dinse Plug 35-50
- YMT-DP5070 - Dinse Plug 50-70
- YMT-DP7095 - Dinse Plug 70-95

PACKING INFORMATION

- 20 PCS / BOX

YMT DINSE SOCKET

FEATURES:

- Standard Panel Mount type Dinse Socket. Ideal for replacement of damaged welding machine sockets.

AVAILABLE MODELS

- YMT-DS1025 - Dinse Socket 10-25
- YMT-DS3550 - Dinse Socket 35-50
- YMT-DS5070 - Dinse Socket 50-70
- YMT-DS7095 - Dinse Socket 70-95

PACKING INFORMATION

- 20 PCS / BOX

WELDING ACCESSORIES

YMT - NC100M

YMT - NC100

YMT NOZZLE CLEANER

FEATURES:

- Gas welding Brazing Cutting Torch Tip Cleaner

AVAILABLE MODELS

- YMT-NC100 - Nozzle Cleaner
PACKING INFORMATION : 100 SETS / PACK
- YMT-NC100M - Nozzle Cleaner Metal Case
PACKING INFORMATION : 50 SETS / PACK

YMT - PRL100

YMT - CFS100

YMT - CSL100

YMT ROCK LIGHTER / CUP LIGHTER / FLINT STONE

FEATURES:

- For industrial use; the long spark assures safety ignition.

AVAILABLE MODELS

- YMT-PRL100 - Pistol Rock Lighter
PACKING INFORMATION : 200 PCS/CARTON
- YMT-CSL100 - Cup Type Spark Lighter
PACKING INFORMATION : 100 PCS/BOX
- YMT-CFS100 - Flint Stone For Cup Lighter
PACKING INFORMATION : 10 PCS/BOX

SANNITSU CABLE CONNECTOR

MODEL : SCC-500

FEATURES:

- SANNITSU Cable Connector 500 Amp (Pin Type)
- For high current wire connection up to 500Amp current (Impulsive)
- Good Rubber insulator handle

PACKING INFORMATION

- 2PCS /PACK

POLY LENSES - MEXICO

MODEL : WL-PL100

FEATURES:

- PolyLenses – Mexico

PACKING INFORMATION

- 50 PCS /PACK

YMT WELDING GLASS - AULEKTRO

FEATURES:

- High quality glass filter lens, protecting against ultra violet & infra red during welding process.

AVAILABLE MODELS

- YMT-DIN10 – Black welding Lenses #10
- YMT-DIN11 – Black welding Lenses #11
- YMT-DIN12 – Black welding Lenses #12

PACKING INFORMATION

- 100 PCS /BOX

YMT SLUGGING WRENCH

FEATURES :

- Straight handle design resists.
- Rust resistant polished chrome finish.
- Head type : ring.
- Handle type : straight
- High Quality and Comfortable Use

AVAILABLE MODELS

- YMT-SW024 : 24 mm
- YMT-SW027 : 27 mm
- YMT-SW030 : 30 mm
- YMT-SW032 : 32 mm
- YMT-SW036 : 36 mm
- YMT-SW041 : 41 mm
- YMT-SW046 : 46 mm
- YMT-SW050 : 50 mm
- YMT-SW055 : 55 mm
- YMT-SW060 : 60 mm
- YMT-SW065 : 65 mm
- YMT-SW070 : 70mm
- YMT-SW075 : 75mm

YMT COMBINATION WRENCH

FEATURES :

- Angled Open End: To reduce the working swing arc in tight spaces, the open end is angled 15 degrees so the wrench can be flipped over with each rotation to engage the fastener twice as often.
- Offset Box End: The box end is offset 15 degrees, creating clearance for your fingers and making it easier to reach around obstructions.

AVAILABLE MODELS

- YMT-CW033 : 33 mm
- YMT-CW034 : 34 mm
- YMT-CW035 : 35 mm
- YMT-CW036 : 36 mm
- YMT-CW038 : 38 mm
- YMT-CW040 : 40 mm
- YMT-CW041 : 41 mm
- YMT-CW042 : 42 mm
- YMT-CW046 : 46 mm
- YMT-CW050 : 50 mm
- YMT-CW055 : 55 mm
- YMT-CW060 : 60mm
- YMT-CW065 : 65mm
- YMT-CW070 : 70mm
- YMT-CW075 : 75mm
